Property Description

Situated in one of the most breathtaking locations of Paphos, in the Coral Bay 'Sea Caves' area, this delightful 6,000 square meters plot boasts spectacular scenery and spacious feel. Unobstructed sea views and serenity of the area, combined with its proximity to all facilities, make this an ideal location for investing in a high specification home, which brings together contemporary architecture, functionality of modern technology and the comfort of lavish interior design.

This four bedroom two storey mansion covers 817 square meters, defined by sheer luxury and exquisite design. The high specifications nature of the estate means nothing about this home is ordinary. From tennis court and swimming pool with open air Jacuzzi, to features such as gym, sauna and lift.

The first floor bedrooms feature walk-in wardrobes, en-suite bathrooms and showers and big windows to allow for plenty of sunshine. Light, ample space and comfort are the main principles of this coastal estate.

The ground floor features a functional kitchen, dining and sitting areas which make food and wine a celebration every time, and an inviting fireplace to spend the cosy winter evenings with your loved ones.

The basement hosts the staff quarters, utility room, the bar, gym, the plant room and the double covered parking.

The splendid verandas invite you into the warmth of the Mediterranean sun and sea breeze. Spacious pool patio and covered BBQ kitchen with a bar, will ensure impressive entertainment to remember.
